

Rainbow Dust

INGREDIENTS

- 1 cup each purple, blue, pink candy melts
- 1/8 tsp LorAnn Super-Strength Cotton Candy Flavor
- 2–4 Tbsp coconut oil
- 1 1/2 cups powdered sugar
- 3 cups rice or corn square cereal, such as Chex™
- Sprinkles

INSTRUCTIONS

1. Place each cup of colored candy melts in its own microwave-safe bowl. Add 1/2 Tbsp of coconut oil to each bowl.
2. Starting with one bowl, heat for 35 seconds, remove, and stir. Reheat as necessary in 10-second increments until no large pieces of the candies remain. Add in extra coconut oil to get a smooth texture. Repeat for second and third bowls.
3. Mix in 1/8 tsp of LorAnn Cotton Candy Flavor into each bowl.
4. Add 1 cup of cereal to the melted candy melts, and stir until coated.
5. Place 1/2 cup of powdered sugar in a bag and add in the candy-coated rice cereal.
6. Seal the bag and shake well to cover the cereal with the powdered sugar.
7. Thinly spread out cereal onto a baking tray. Add sprinkles.
8. Repeat with each color.
9. Set for 30 minutes to dry completely.
10. Mix together and serve!
