

Layered Scented Bath Salts

Perfect for gift-giving.

Ingredients

1 cup Dead Sea Salts
1 cup Baking Soda
Several drops LorAnn Fragrance Oil, any scent
Pinch of LorAnn Powdered Food Coloring

Decorative glass bottle, or mason jar with lid

Directions

In a glass or metal mixing bowl, stir together salt and baking soda. Add fragrance oil and blend well using a metal spoon or whisk. Divide mixture in half and add powdered food coloring to one part of mixture, mixing until color is distributed. Pour salt mixture into jar, alternating colored and white salts.

To give as a gift: Tie on a hand-made tag printed with the name of the fragrance used.

To use: Pour 1 tablespoon of bath salts into a warm bath
