LorAnn Oils, Inc. is committed to supplying the food industry with safe, wholesome and consistently high quality products. We do not guarantee that one or more of our ingredients are 100% free of animal origin. Many natural flavor chemicals are found in a variety of sources which may incur a source that could contain animal (ie. a fruit flavor may contain a smoothing effect from a chemical with a dairy or egg origin). Please note that all of the products we produce, with the exception of items containing dairy, do not contain animal proteins; however, may subsequently have origins from dairy or eggs.

If there are additional questions, please feel free to let us know.
